Minutes of Meeting

2 October 1973

Present: Alfonso Rodriguez, Chairman  
Dr. Karl H. Weber  
Mr. John F. Blake

Executive Secretary

1. The meeting convened at 9:45 a.m. in Room 2 E 49 HQS.

2. The Board considered the nomination of [REDACTED] GS-16, O-DDM&S, for the Advanced Management Program, Harvard University, beginning in September 1974. This additional nomination was solicited as a result of the meeting in August at which time the Board noted the absence of a candidate for the Fall 1974 session at Harvard and requested that the Directorates be polled for nominees. While Mr. [REDACTED] was the only candidate, the Chairman, as head of [REDACTED] career service, strongly endorsed his qualifications and future potential for future advancement in the Agency. The Board unanimously agreed that [REDACTED] nomination be submitted to the Director for approval.

6. A discussion took place on the distribution of critiques from graduates of TSB training programs. The Chairman had asked Board members to consider wider distribution of these critiques. The group felt that the present distribution pattern is sufficient, i.e. copies to each Board member who will fan copies to higher authority when the report is deemed sufficiently significant. (Mr. Blake requested the Executive Secretary to send only "selected" critiques to him in an effort to keep the contents of his "In" box to a minimum.)

25X1A 7. Mr. Blake questioned the usefulness to the Agency of our continued participation in the Advanced Management Program at Harvard and a discussion followed. The Chairman requested the Executive Secretary to get data together in an effort to weigh the overall value of the Program to the Agency. In connection with the foregoing discussion, he advised that he plans to meet with the Board at some future date at [REDACTED] for the purpose of an overall discussion of TSB Programs and the operation of the Board itself.
